CORPORATE CRUISES

A P&O Corporate Cruise is unlike anything on land. Do your conference or incentive your way, and leave the rest to us.

P&O TOP 10 TIPS TO ENJOY YOUR CRUISE

01.

TAKE A SHORE TOUR!

We've researched the best places to see and things to do at each destination. Hop on a P&O Shore Tour and maximise your time onshore. Our research shows that people who do a tour enjoy their time on land much, much more. Plus, we guarantee that if you find the same tour for less elsewhere, we will refund you 110% of the purchase price in the form of non-refundable onboard spending money – that's our Best Price Guarantee. And don't get confused about which Shore Tour to take; attend our onboard Shore Tour presentation and learn from the experts.

02.

DINE OUT FOR FREE

There are up to 12 dining experiences included in your fare – there really is something for everyone.

03.

DON'T MISS A THING

Read our onboard daily newsletter and gig guide, Good Times. It will be delivered to your room every day.

WAKE UP AND DRINK THE COFFEE

With expertly trained baristas on every ship, perfectly brewed P&O coffee is one of our top onboard experiences. Freshly brewed coffee is available in our cafés and many lounges.

05.

ENJOY THE FINEST WINE

We collaborate with the best local winemakers to hand-pick a wine list showcasing the best wine from Australia and New Zealand.

06.

TRAVEL STRESS-FREE

We strongly recommend you take travel insurance for your cruise. The immigration authorities of New Caledonia have advised that guests who do not hold international travel insurance that covers medical costs, repatriation and other expenses may be refused entry into New Caledonia. For more information on the level of cover required, please visit pocruires.com.au/plan/know-before-you-go/travel-insurance

07.

GET EXCLUSIVE DEALS

Our Bill-Shock Therapy offer is available when you purchase your next cruise onboard at our onboard sales office and means you'll get \$100 deducted from your onboard account. You can transfer the booking to your travel agent once you're back on land.

08.

PREPARE TO PARTY

From Gatsby to Bianco White Party, let your hair down at themed onboard soirées. There are also mini parties, just for kids!

Save the Children works on the ground with Pacific Island communities so they can meet real needs and solve real problems.

EDUCATION

We've helped **20,000 kids** get to school safely or receive education services.

There are rope handrails along the way to help you across the areas of shallow water. Cascade Waterfall and the surrounding rock pools are truly awe-inspiring. The total amount payable for your booking, including any applicable surcharges, will be advised to you before you proceed with payment.

CHANGES AND CANCELLATIONS

Please note that cancellation of your air booking does not result in cancellation of your cruise, however cancelling your cruise booking for any reason will cancel your air bookings associated with the cruise, and fees will be applied if applicable. If you wish to cancel your cruise, please refer to the 'Cancellation and Refunds' section of the Booking & Travel Conditions applicable to your cruise. The guest who appears on the flight booking must be the guest who travels.

LATE ARRIVAL PROTECTION

Guests who book air travel through P&O Cruises will be automatically enrolled in the P&O late arrival protection programme. If guests miss or will miss their original port of embarkation due to airline delay or an airline service disruption, such as flight cancellation or flight re-routes, P&O will work with the airlines to find a reasonable alternative to provide commercial flights to the next appropriate* port at no additional air cost to the guest.

* Factors taken into account in determining the appropriateness of a port of call include, but are not limited to:

- visas and other legal documentation that may be required
 - application of the Passenger Services Act or similar Government acts or laws to the new itinerary
 - airport/port infrastructure
 - comparability of cost, flight connections, and travel time required (note, any refund due on the unused air ticket must be used to offset the cost of the new air ticket)
 - where in the original itinerary this port is located
- Please note, Late Arrival Protection only covers airline or P&O Transfer delays, it does not cover you if you miss your flight for any other reason. Additionally, if no replacement flight is available due to circumstances such as a severe weather event or natural disaster, we will not be required to provide a replacement flight.

Late Arrival Protection will not cover any additional costs such as meals and accommodation as a result of airline or P&O Transfer delays. Additionally, as airline delays are outside our control, your cruise fare will not be reimbursed in the event you miss part of all of your cruise. For this reason, we strongly recommend you take out comprehensive international travel insurance.

Sometimes We will release promotional fares. These can be offered and withdrawn at any time. If after booking You decide to change to one of these promotional fares, You may need to cancel Your existing booking and our Refunds Policy outlined in clause 11 will then apply.

We may elect to impose a fuel supplement at any time, in which case any additional fees will apply to new bookings only. The total price quoted to you at the time of booking will be inclusive of any applicable fuel supplement.

6. ONBOARD CREDIT

Onboard credit (OBC), which may also be referred to as **Onboard Spending Money**, may sometimes be offered as part of a promotional campaign (**Promotional OBC**) or it can be pre-purchased (**Purchased OBC**). Onboard credit is a monetary amount in Australian dollars which is applied to Your onboard account to be used for onboard purchases, excluding casino credit and medical expenses. Any unused portion of Promotional OBC will expire at the end of Your cruise and is not redeemable for cash at any time. Any Purchased OBC will be refunded at the end of the cruise if not used. All types of onboard credit are not transferable between any cruises, including back-to-back cruises.

There is no service fee for Visa Debit and MasterCard Debit or prepaid Visa & MasterCard products. Service fees are subject to change and will be advised at the time of payment.

9. NAME CHANGES

Once you have made your booking, please check your Booking Confirmation, 'Cruise Control', or with your travel agent to ensure the details are correct.

Should you need to correct the spelling of a name on your cruise booking, no administration fee will apply. However, should you need to replace a guest on your booking, the following administration fees will apply based on the cruise fare purchased:

FARE TYPE	FEE PER NAME CHANGE
Value Plus and Value fares	No fee
Go fare	\$50 per change

Any name change to P&O Cruise Air bookings will require the air to be cancelled and rebooked, and applicable charges will apply as per the P&O Cruise Air Terms and Conditions.

One original guest from the booking must always remain in the cabin. If all original guests cancel / are replaced, the booking will be subject to the Refund Policy at clause 11.

If the cancelling guest was the only person that qualified the booking for a promotional fare (eg: past guest fare), additional and remaining guests will no longer be entitled to the promotional fare. The booking will revert to a different fare and the remaining guests will need to pay the difference in cost, if any.

New guests added to bookings, and new bookings made within 48 hours of departure will be asked for passport information at the time of booking for security clearance. Please note, we are unable to accept new bookings or new guests on existing bookings after 5pm (Sydney time) on the day prior to departure.

10. ROOM CHANGES

On occasion, We may offer reduced cost upgrades meaning that You may be offered a higher grade room at a discounted rate. The opportunity of an upgrade is never guaranteed and will always be at our discretion.

We may also upgrade You without consultation to a higher room grade at no extra charge. The higher grade room could be in any part of the ship (forward, mid ship or aft) and could also be on a lower deck. If You have chosen Your booked room for a particular reason or You are travelling as a group and do not want to be considered for an upgrade, please let Your Travel Agent or our Customer Sales & Service team know at the time of booking.

If You receive an automatic upgrade, please note that it is not possible to return to Your original booked room.

Even if You request not to be upgraded, Your room can still be changed for operational reasons, including when the number of people booked in the room is less than the number of beds in the room (for example, 2 people booked in a quad room) or if You have selected a wheelchair accessible room and do not require one.

In addition, when a booking is made and a specific room number is not selected (known as a 'Guarantee'), the room will be allocated at our discretion in the grade booked, or a higher priced grade, at a later date. When booking on a "Go" fare, you will be booked into a room grade under a 'Guarantee'.

11. REFUND POLICY

Although We would love to see You onboard, We understand that plans can change. Should You need to cancel Your booking, We ask that You notify Your Travel Agent or our Customer Service & Sales team at Your earliest convenience. The quantum of refund depends on the fare type booked and the amount of notice You give us, as follows:

	Value Plus and Value fare	Go fare
181 days or more	Full refund provided	Total Fare minus deposit amount

14 days or less	No refund	No refund

Note: 'Total Fare' is the total amount payable to Us for Your booking.

*Unless otherwise stated, the Refund Amount is determined by reference to the Total Fare (including taxes, fees and port expenses) , less any third party charges for which P&O Cruises are liable e.g. onshore activity cancellation charges. Any Restricted P&O CruiseAir booked will be charged 100% of the total airfare paid as a cancellation fee. Any Flexible P&O CruiseAir booked will be charged 100% of the total airfare paid as a cancellation fee if cancelled 44 days or less prior to the flight departure. For Air cancellation fees, please refer to the specific P&O CruiseAir Terms and Conditions before the cruise departure date.

For cheque refunds, please ensure your correct postal address has been provided in your booking prior to embarking the ship or prior to cancelling a booking. Cheque refunds may take up to 20 business days from the date of processing to be received. Refunds cannot be issued by direct credit.

For bookings made through a travel agent, any refunds will be issued back to the travel agent.

12. SHIPBOARD ENVIRONMENT

There are some inherent features of travel by cruise ship which you should be prepared for. Some noises and vibrations are associated with the normal operation of the ship. Maintenance may occur in certain areas of the ship while you are onboard which may affect access to these

areas. Weather conditions may also require us to restrict access to certain areas of the ship for safety reasons.

13. SHIP & ITINERARY CHANGES

We will do everything We reasonably can to make sure everything goes according to plan; however, sometimes changes can happen that may affect Your holiday experience. This could include weather, mechanical difficulties, civil unrest or any other unforeseen circumstances.

In addition, We may charter all or part of the ship, or remove the ship from service where this becomes necessary. We may change the itinerary, ship or cancel the cruise due to operational or commercial requirements. We will notify You of these changes as soon as We can. If We are forced to cancel the cruise for any reason prior to departure We will provide a full refund. Since Your itinerary is not guaranteed, please do not make any important arrangements or meetings based on the proposed itinerary.

Changes within our control

Where a significant change is made to the ports in Your itinerary prior to departure and this is due to a circumstance within our control, for example for operational or commercial requirements You will have the choice of:

1. the new itinerary;
2. an alternative cruise of comparable standard, if available; or
3. cancelling the cruise for a full refund of Your fare paid.

For the purposes of this clause, 'significant change' means a change to the city of departure or disembarkation, or to the majority (by number) of the other ports in Your itinerary.

Changes outside our control

If it is necessary to change the itinerary due to safety, maritime law, severe weather, to protect human life or health or other factors outside our control, We will attempt to offer a revised itinerary as close as possible to the original itinerary. We will not provide any compensation in connection with the revised itinerary unless Consumer Laws require otherwise.

14. TRAVEL INSURANCE

We strongly recommend You purchase appropriate international travel insurance at the time You pay Your deposit. As Australian Medicare and New Zealand Accident Compensation Corporation do not cover Your travel onboard, it is important that international travel insurance is purchased for all voyages (including domestic Australian itineraries which do not visit international ports). If You do not purchase international travel insurance You may not be able to recover any charges, medical costs, repatriation and other expenses that may be incurred if things do not go according to plan.

15. PREGNANCY

Guests who are pregnant at the commencement of their cruise are required to supply a doctor's letter confirming they are fit to travel, including the estimated due date, prior to embarkation. We are unable to accept any guests who will have entered their 24th week or later at any time during the cruise.

16. MINIMUM AGE TO TRAVEL

Due to limited neo-natal facilities onboard and at the destinations We visit, the following minimum ages apply:

ITINERARY	MINIMUM AGE TO TRAVEL
Australian domestic (coastal cruises) and New Zealand domestic (coastal cruises)	6 months
All other itineraries	12 months

For the safety and enjoyment of all onboard, there are limits on the number of children that can be carried within different age groups. The age of the guest on the

day they board the cruise, is the age We use for the entire holiday. We will advise You at the time of booking whether We are able to accept bookings for children on the cruise You have chosen.

For safety reasons, there needs to be at least one guest 18 years or older in each room. However, to accommodate families cruising together, children may occupy a separate room to their parent/legal guardian, including an inter-connecting room, providing one child is 16 years or over.

Subject to applicable laws, for cruises departing from an Australian port between 1 November and 7 January, We will permit a quota of 20 guests per cruise who are under the age of 19 and not accompanied by a responsible adult. Once this quota is filled, We will require guests who are under the age of 19 to travel in the same room as a responsible adult 19 years or older.

In addition, from 8 January to 31 January, We will permit a quota of 60 guests per cruise who are under the age of 19 and not accompanied by a responsible adult. Once this quota is filled, We will require guests who are under the age of 19 to travel in the same room as a responsible adult 19 years or older.

We can advise You at the time of booking whether the limit applies to Your booking. P&O Cruises can waive the responsible adult requirement at our discretion. Any requests for review of a waiver application decision can be made by emailing feedback@pocruises.com.au. In determining waiver requests we will take into account, the risks of an unauthorised event occurring, the risks of secondary supply of alcohol to minors or any other risks of excessive behaviour. The responsible adult is accountable for guests under 19 years of age in their room for the duration of the cruise, and the 'Travel Restrictions and Rights of the Captain' under clause 28 will be applied to anyone who displays disruptive behaviour.

17. TRAVELLING WITH CHILDREN

Parents/Legal guardians are responsible for children at all times, including when participating in Kids Club activities. If a child displays dangerous or disruptive behaviour, the 'Travel Restrictions and Rights of the Captain' under clause 28 will be applied to both parent/legal guardian and child.

Some public lounges and onboard entertainment are designated as 'adults only'. Parents/Legal guardians are responsible for ensuring that children under the age of 18 do not attend these restricted areas.

Children's access to pools and spas may be restricted and children will not be permitted to use any pools and spas marked for adult only use. Children must be toilet trained and under their parent's/guardian's supervision in order to use onboard pools, spas, waterpark and waterslides. Children wearing nappies will not be permitted to enter onboard pools, spas, waterpark and waterslides.

Prams and strollers must be collapsible and capable of being stored in Your cabin.

You acknowledge that if You are travelling with a child of whom You are not the parent or legal guardian, You are required to notify us and complete the 'Consent Form for Minors Travelling with a Responsible Adult' executed by the child's parent or legal guardian. You must carry this form with You at all times during Your cruise. You may be asked to make decisions relating to matters such as that child's safety, health and dietary requirements, medical treatment and decisions relating to disciplinary matters.

18. KIDS CLUBS

Kids Clubs are included in the cruise fare and are divided into four age-specific groups:

- Turtle Cove – 2 to 5 year olds
- Shark Shack – 6 to 9 year olds
- HQ – 10 to 13 year olds
- HQ+ – 14 to 17 year olds

Children under two (2) years of age are welcome to use the Kids Club facilities under the direct supervision of their parent/legal guardian. To attend the Kids Clubs without a parent/legal guardian, children need to be two (2) years of age or over. Children who are in nappies are welcome to participate in the Turtle Cove activity program.

Use of Kids Clubs requires daily registration and entry is on a first-come-first-served basis as places are limited. Group child minding for children 2-9 years is available between 10.30pm and 1am only, for a fee.

19. VISAS, PASSPORTS AND VACCINATIONS

When booking a cruise visiting an international port, You are responsible to ensure You have all necessary visas, vaccinations and travel documents, including a passport that is valid for the minimum duration required based on the countries You are visiting. Your passport must be valid for a minimum of six months beyond the date of Your cruise return and have sufficient blank pages for entry and exit stamps and visas.

Without the necessary passport, visas and/or vaccinations, local authorities may deny You boarding, prevent You from going ashore, issue a fine or deny the ship entry into the port. It is Your responsibility to ensure You have all the necessary documentation which permits You to travel, including visas for ports at which You do not intend to disembark. We will not provide You with a refund or reimbursement for any expenses or losses incurred as a result of Your failure to comply with these requirements.

In addition, travel on a Round Trip Cruise from Australia will not be recognised by Australian Immigration to have left Australia and therefore the cruise cannot be used to revalidate an Australian visa.

20. IDENTIFICATION REQUIREMENTS FOR DOMESTIC CRUISES

For domestic cruises departing an Australian port that do not visit an international port, and for domestic cruises departing a New Zealand port that do not visit an international port, a valid passport or government issued photo identification is required. Accepted forms of government issued photo identification includes drivers licences, proof of age cards (Queensland 'Adult Proof of Age Card' will be accepted, however the older version of Queensland 'Card 18+' will not be accepted) and Government ID cards. For Australian domestic cruises, a current Medicare card can be used for guests under 18 years of age. For New Zealand domestic cruises, an original or certified copy of the child's birth certificate or a school pass with photo will be accepted for guests under 18 years of age.

21. PROHIBITED ITEMS

To ensure a safe and enjoyable holiday for all our guests items which may pose a risk to the safety of guests and crew are not allowed to be brought onboard our ships including: Irons, kettles, coffee machines, baby bottle warmers, candles, heating devices, illegal drugs, illicit substances, flammable liquids, weapons (including knives of any kind), hoverboards (Flyboards or similar devices), remote control devices of any kind, such as drones, and power boards with surge protection devices. In addition certain electrical items and personal grooming devices, such as power boards (without surge protection devices), laptops, phone and camera charges, hair dryers and straighteners, curling irons and shavers may be allowed onboard if they are deemed to be in a safe and proper working condition, and used with proper caution. However, if such devices are deemed to pose a hazard, they will be confiscated and available for collection at the end of the cruise.

As part of our commitment to the responsible service of alcohol and to ensure the safety and security of guests and crew, guests are prohibited from bringing alcoholic beverages onboard. In addition, the following beverage items cannot be brought onboard our ships:

- Plastic or glass bottled drinks (including water) and slab packs of canned drinks;
- Tetra pack drinks (including fruit juice poppers)

Each guest can bring onboard a maximum of 12 canned drinks loosely packed in hand luggage.

All luggage, including hand and check-in, will be x-rayed at embarkation. In addition, it may be necessary for our staff and other parties, such as port and government agencies, to search You and Your luggage. You agree to allow such searches. Any prohibited items or items which may pose

a quarantine or safety risk found in hand or checked in luggage will be confiscated and, if appropriate, will be available for collection at the end of the cruise. If the confiscated item is not collected at the end of the cruise, You must contact us within three (3) days of disembarking to claim the item if Your item is appropriate to be returned. If You do not contact us within this time Your item will be destroyed.

All items purchased during Your cruise will be subject to applicable quarantine clearance procedures by local authorities on disembarkation.

We can deny boarding or disembark any person in possession of any weapons or illicit substances. We may also hand these items over to law enforcement agencies.

22. ONBOARD PURCHASES

All P&O Cruises' ships operate on a 'cashless' system. When you check in, you will be asked to present a Visa, MasterCard or American Express which will be associated with your onboard "Cruise card". The Cruise Card is what you will use onboard for all onboard purchases, which are charged in Australian Dollars. As an alternative to registering a Visa, MasterCard or American Express, you can add funds to your onboard account at the self service cash kiosks onboard. The self service kiosks allow you to top up your onboard account free of charge using cash or Australian Eftpos (cheque or savings accounts only) with an Australian issued bank card. Non Australian issued bank cards cannot be used in the self service kiosk, but can usually be used in the ATMs onboard to withdraw Australian dollar currency. ATM fees apply.

If you choose to register a Visa, MasterCard or American Express we will settle the outstanding balance on your onboard account to your registered card at the end of each day. If the card registered has the name of the guest printed on the card then this must match the name of the guest's photo ID used to embark the ship.

Service fees apply to all onboard credit card transactions. The service fee for Visa and MasterCard credit card transactions is 1.1%. For American Express the service fee is 2.3%. There is no fee for Visa Debit, MasterCard Debit or pre-paid/travel Visa & MasterCard transactions. Service fees are subject to change and will be advised onboard.

Pre-paid cash passport Visa & MasterCard travel products can also be registered to your onboard account as long as the card holders name is printed on the card and matches the name of the guest using the card. Travellers cheques are not accepted onboard. If you live outside of Australia please consider registering a prepaid cash passport Visa Card & MasterCard travel product to avoid currency conversion and international processing fees that may be charged by your bank.

Please be aware that once you get onboard, even if you have not registered your Visa, MasterCard or American Express at check in or added any funds to your onboard account, your Cruise Card authorises purchases onboard up to a maximum of AUS100, which will appear on your onboard account as an amount owing to Us.

Any refunds owed for transactions on Your onboard account should be collected at the cash kiosk via the express checkout feature before disembarkation. Otherwise these will be processed back to the original payment method used for the booking if they exceed AUD\$50, or via a refund cheque if this is not possible. Uncollected refunds for amounts less than AUD\$50 will automatically be donated to the P&O Pacific Partnership unless otherwise advised by the guest.

For refunds of onboard Casino player bank balances, We recommend collecting Your balance before closure of the Casino on the final sea day. Refunds for uncollected Casino account balances are issued by refund cheque. The guest will need to visit the Ocean Players Club website (https://oceanplayersclub.com/contact/balance-request/) and complete the online form to confirm their contact details.

23. ALCOHOL & GAMBLING

P&O Cruises are committed to the responsible service of alcohol. There may be times when We consider it

appropriate to refuse the service of alcohol to a guest for any reason. Guests must be 18 years or over to purchase or consume alcohol, or gamble onboard. Government issued photo identification may be requested (Queensland 'Adult Proof of Age Card' will be accepted, however the older version of Queensland 'Card 18+' will not be accepted).

As part of our commitment to the responsible service of alcohol and to ensure the safety and security of guests and crew, guests are prohibited from bringing alcoholic beverages onboard. In addition, some other beverage items are also prohibited from being brought onboard. For more details please refer to the Prohibited items clause (clause 20).

As part of our Premium/The Lot drinks packages, all alcoholic beverages are limited to 15 beverages per 24-hour period (6am to 6am), and service is always subject to P&O's Responsible Service of Alcohol (RSA) Policy. Alcoholic beverages requested above this limit are charged at regular menu prices, subject to RSA. Non-alcoholic beverages have no daily limit.

24. SMOKING

Smoking is not permitted indoors on any of our ships. This includes in guest rooms and on private balconies. For those who smoke, there are designated outdoor areas where smoking is permitted and this information will be communicated to You onboard. Electronic cigarettes can only be used in the designated smoking areas onboard.

25. LOST OR DAMAGED LUGGAGE AND PERSONAL BELONGINGS

Please make sure that all valuable and important items, such as jewellery, medicines, fragile items, and camera/ computer/electrical equipment are carried in Your hand luggage and not packed in Your main luggage/suitcase or left unsecured in Your room or elsewhere onboard ship. Once onboard, all valuables and important items should be stored in Your in-room safe.

In the event You lose any items onboard, please notify Reception immediately. If You have already disembarked please contact our Guest Relations team. Due to hygiene reasons, any unclaimed clothing items will be destroyed at the end of the cruise. All other items not claimed within 3 weeks of the cruise return will be donated to charity or destroyed.

Where Consumer Laws and other laws permit us to exclude our liability, We will not be liable for loss of, or damage to, any luggage or other belongings, unless caused by our proven negligence or failure to provide services with due care and skill or that are reasonably fit for purpose.

26. YOUR HEALTH

You warrant that You are medically and physically fit for travel, and that such travel will not endanger yourself or anyone else.

Our medical centres are not required to be and are not equipped to the same standards as a land based hospital nor are they designed for the provision of extensive or continuing treatment. It is up to You to ensure that if you require doctors clearance to travel that you obtain that clearance. We may request that you provide such clearance to us at any time.

If a guest has a condition that We decide may seriously affect the enjoyment, health or safety of themselves or any other person onboard, We can refuse or cancel a booking. Such decisions will be made giving reasonable consideration to Your circumstances and We will advise You of our decision as soon as possible. Where Your booking is cancelled You may be entitled to a refund. Guests with restricted or limited mobility, and those with medical conditions must be self-sufficient or travel with a carer or someone who can assist with day-to-day activities. Our crew and medical staff are unable to act as personal carers.

Guests who are bringing a wheelchair or mobility aid onboard must advise Us at the time of booking. You must provide your own wheelchair or mobility aid and must ensure it can be stored inside Your cabin. Limited areas of the ship may not be wheelchair accessible. Please note

that some ports can only be accessed using the ship's tenders. Tender boats and tender ports are generally not accessible to guests who use a wheelchair or with significant mobility impairments.

27. ONBOARD MEDICAL CENTRE

Each ship has a medical centre that is staffed by qualified, licensed doctors and nurses, who, in addition to routine clinic hours, are available 24 hours a day in the event of an emergency. All of our medical centres are well equipped to handle most medical conditions and are accredited to international healthcare quality standards.

All cruises on our ships are outside the scope of Australian Medicare, New Zealand Accident Compensation Corporation and private health insurance. Consultations, treatments and medication are charged at private rates and must be paid by You and claimed through Your international travel insurance.

While all of our medical centres are equipped to handle many medical conditions, there may be occasions where it becomes necessary to disembark or evacuate a guest to receive further essential medical treatment. To ensure guest safety, this decision will be made by the onboard doctor and the Captain.

All of our medical centres are only for medical needs arising onboard and cannot cater for treatments that You know You will require while on holiday.

We are not a healthcare provider and may not be held liable for the sickness, injury or death of any guest arising from any advice, treatment, care, services or any omission by medical staff. These medical providers exercise their own medical judgement and expertise.

28. OTHER SERVICE PROVIDERS

While We specialise in cruising holidays, You may choose to book other services through us such as flights and shore tours. We can assist You in making these arrangements; however, We act only as a booking agent. The service providers are solely responsible for the information and service offered and their conditions will apply. Where possible, We will assist in addressing any concerns You may have with these service providers.

Any arrangements made with other service providers by or for You are Your responsibility and entirely at Your own risk.

In the event that You go ashore You do so at Your own risk. You are responsible for adhering to the local laws, regulations and customs. We take no responsibility for any injury or loss that occurs while You are not onboard the ship.

29. TRAVEL RESTRICTIONS AND RIGHTS OF THE CAPTAIN

During the cruise the Captain will exercise complete control over the ship and take such actions as he or she thinks necessary to preserve the safety and integrity of the ship and the comfort, safety and enjoyment of the guests and crew.

You are responsible for ensuring that no travel restrictions apply to you. If police or any other authority in any jurisdiction notify us of, or We otherwise become aware of, any matter that reasonably causes us to believe Your presence onboard presents a risk to Your own health or safety or the health or safety of other guests and crew, we, or the Captain, may deny You boarding and may refuse or cancel any bookings from You.

Once the cruise has commenced, if a guest seriously affects the safety, well-being or enjoyment of themselves or any other person onboard, the Captain has the right to confine, sedate or disembark the guest. In such cases, We are not responsible for any expenses including Your return home. In addition, You will not be entitled to any refunds. While the Captain will always act reasonably in these circumstances, You accept that the safety, well-being and enjoyment of everyone onboard, comes first.

30. LEAVING THE CRUISE EARLY

If You are required, or choose, to leave the cruise for any reason (unless caused by our proven negligence or failure

to provide services with due care and skill and that are reasonably fit for purpose), We are not responsible for any expenses, including Your return home. This also applies if You do not return to the ship in time for sailing after a port visit. If We assist with any costs, You will be required to reimburse us. In addition, You will not be entitled to any refunds.

It is important to be aware that it will not always be possible to leave a cruise early, even when on an Australian domestic itinerary. Some Australian ports have strict border and quarantine restrictions which prevent cruise ship guests from discontinuing the cruise in that port, even if they are an Australian passport holder. Many international ports also have strict border restrictions and visa requirements.

31. P&O PACIFIC PARTNERSHIP

P&O Cruises is committed to supporting communities in the destinations We visit. As part of our P&O Pacific Partnership Program a \$1 donation will be automatically added to the onboard folio of each guest aged 18 years or over. The donation will be used towards community based initiatives in the destinations We visit. This is an optional donation and You may remove it from Your account at the Reception Desk before You disembark. Visit the P&O Cruises website for more information on our latest Pacific Partnership Initiatives.

32. LIMITATION OF LIABILITY

Contributory Negligence

Our liability will be reduced in proportion to any negligence or fault on Your part.

Notification of Claims

You agree to use all reasonable efforts to report any complaints or claims onboard, or otherwise bring the matter to our attention as soon as possible. You acknowledge that failure to bring any matter to our attention whilst onboard will limit our ability to investigate the matter following Your cruise.

33. SEVERABILITY

- a. that provision must so far as possible, be read down to the extent that it may be necessary to ensure that it is not illegal, invalid or unenforceable and as may be reasonable in all the circumstances so as to give it a valid operation; or
- b. if the provision or part of it cannot effectively be read down, that provision or part of it will be deemed to be void and severable and the remaining provisions of these Booking and Travel Conditions will not in any way be affected or impaired and will continue notwithstanding that illegality, invalidity or unenforceability.

FAQS

THINGS TO KNOW BEFORE YOU GO

Passports and visas

Do I need a passport and visa?

Passports, visas, vaccinations and other travel documentation are your responsibility.

Without the necessary passport (or government issued photo ID for domestic cruises), visas and/or vaccinations, local authorities may deny you boarding, prevent you from going ashore, issue a fine or deny the ship entry into the port.

Passports

For international cruises (cruises that visit a foreign port), passports must be valid for a minimum of six (6) months beyond the date of the cruise return. In addition, travel on our cruises will not revalidate an Australian or New Zealand re-entry visa. For more information, please visit www.passports.gov.au (Australian citizens) or www.passports.govt.nz (New Zealand citizens). For citizens of other countries, please contact your relevant national authority.

Visas

For standard Pacific Island and New Zealand itineraries (excluding Fiji and Papua New Guinea), visas may not be required as you will be considered in transit when you visit these ports as part of your cruise. If you are joining or leaving the ship in one of these countries, you are likely to require a visa. Some nationalities (excluding Australian and New Zealand passport holders) may require a visa for Fiji, even when transiting the country as part of your cruise.

Visas for Papua New Guinea and Vietnam will be issued upon arrival for all guests and the applicable fee will be charged to your onboard account. Visas for Indonesia, Cambodia and Timor-Leste will be issued upon arrival for Australian and New Zealand passport holders, and the applicable fee will be charged to your onboard account. We encourage other passport holders to check their visa requirements with the relevant consulate/embassy or visa service to determine if they are required to obtain a visa in advance of if it can be issued on arrival.

Visa fees are subject to change and will be advised onboard. All visas that are issued on arrival will be issued to guests, even if they remain onboard during the port visit. For visas that are issued on arrival, guests's passports may be collected at check in to facilitate the processing of entry endorsements. For this reason, we suggest bringing a couple of photocopies of your passport's personal information page that you can carry with you each time you leave the ship.

As visa requirements are always subject to change, please contact the relevant consulate/embassy or a visa service to confirm your individual visa requirements.

I am travelling on a domestic cruise (coastal or Short Break cruise), do I need a passport?

For domestic cruises (cruises that do not visit a foreign port), a valid passport or government issued photo identification is required (Queensland 'Adult Proof of Age Card' will be accepted, however the older version of Queensland 'Card 18+' will not be accepted). For Australian domestic cruises, a current Medicare card can be used for guests under 18 years of age. For New Zealand domestic cruises, the government issued 18+ Card will be accepted, as will a Pensioners Super Gold Card with photo, and for guests under 18 years of age, an original or certified copy of the child's birth certificate or a school pass with photo will be accepted. Guests who do not possess the required ID at check-in may be denied boarding.

MEDICAL, DIETARY AND SPECIAL REQUIREMENTS

I take medication; do I need to let you know?

Yes, if you have a medical condition or take medication it must be advised at time of booking. We will send you a health questionnaire to complete so we have all necessary information. We want you to be safe and comfortable on your cruise, so bring enough medication to last you until the end of your holiday. It is also a good idea to bring a few extra days' supply, in case of any unforeseen delays. Please ensure your

medication is kept in its original packaging and in your carry-on luggage when boarding.

Can I bring my medical equipment to use onboard?

In most cases, yes. Please advise your travel agent or our Customer Sales & Service team at the time of booking if you intend to travel with medical equipment. We will then send you an information sheet with power supply details. To ensure your medical equipment will work onboard, we strongly advise to check that your equipment is compatible with the ships power supply by checking with the equipment supplier. For safety reasons, your equipment will need to be checked prior to boarding.

Do you cater for special dietary requirements onboard?

Dietary restrictions, intolerances and special diets as well as food allergies are naturally a concern when planning a holiday. P&O Cruises can cater for most special dietary requests, such as vegetarian and food allergies, however, some limitations apply. Unfortunately, at present we are unable to accommodate a Kosher or Halal diet onboard P&O Cruises' ships

If you have any special dietary requests, please ensure you advise your travel agent or our Customer Sales & Service team when you make your cruise booking or at least 60 days prior to your cruise departure. We also recommend you speak to the Maitre d'Hotel once you are onboard to confirm your dietary requirements. For more information, please ask us for a copy of our special dietary information flyer.

While P&O Cruises endeavour to meet guests' special dietary needs and requirements, we ask that guests take responsibility for their own needs and food consumption. Please take the extra time to discuss your requirements with the Restaurant Manager and Maitre d'Hotel onboard.

What services and facilities do you offer for guests with disabilities?

P&O Cruises will make every effort to accommodate guests with disabilities and impairments. We have wheelchair-accessible rooms on all P&O Cruises ships, subject to availability at the time of request. To book a wheelchair accessible room, please contact your travel agent or our Customer Sales & Service team on 13 24 94 (AU) or 0800 780 716 (NZ).

We also have specialised kits for hearing impaired guests available, upon request at time of booking. If you have any special requirements including wheelchair usage, or have any questions regarding mobility, please request a copy of our information sheet from your travel agent or our Customer Sales & Service team. P&O Cruises must be notified of wheelchair usage and/or any special needs at time of booking.

ETICKETS, CHECK IN AND EMBARKATION

When am I going to get my eTicket?

Your eTicket will be available in Cruise Control, as early as 60 days prior to departure, as long as your booking has been paid in full, your room number has been assigned and the required details have been completed. All personal details for each guest, including Emergency Contact, address, phone number and email address must be completed via Cruise Control before your eTickets will be available. You will also need to select your check in time in Cruise Control before you can access your eTicket.

Please note that bookings on guarantee status (where a room number has not yet been allocated) will not be able to access their eTicket until their room number has been allocated. This will usually occur within 14 days prior to departure.

What time can I check-in for my cruise?

Staggered check in times are in place on all P&O Cruises. Simply log into Cruise Control at any time from 60 days prior to departure to select your preferred check in time. Once selected, this time will display on your eTicket, which you should print and bring with you to the wharf. To avoid congestion and long wait times, please do not arrive at the wharf prior to your selected check-in time.

Check-in closes one hour prior to your cruise's scheduled departure time.

Do I need luggage tags?

Yes. Your P&O Cruises luggage tags will be included with your eTicket. Please ensure one tag is printed, filled in and attached to each piece of luggage prior to arriving at the terminal. If you do not have luggage tags when you arrive at the terminal, you may experience delays at the luggage drop-off area.

Please also double check that all details, including your room number, on your P&O luggage tag are correct and up to date before your drop your luggage off.

SHORE TOURS

Can I book Shore Tours in advance of my cruise?

Yes. The best chance of securing a place on one of our Shore Tours is to book it before you go by logging into Cruise Control. Full payment by credit or debit card is required at the time of booking shore tours. Shore Tours are available to book from approximately 90 days before departure and close for booking 3 days before departure. Please keep in mind that you will receive your tickets when you arrive onboard. Subject to availability, you can also book tours once onboard from the Shore Tours desk or the self-serve kiosk. When booked onboard, the shore tour will be charged to your onboard account.

Can I go on a Shore Tour if I have limited mobility?

It is usually no problem. We have a great range of Shore Tours and many cater for people with various levels of mobility. For more information, please refer to the description of each individual Shore Tour. Our helpful Shore Tour staff are also available onboard to discuss individual tours.

It is important to note that access to tender ports may be restricted and this may limit your tour options. Do not worry if you can't get off the ship, we will have plenty of fun activities for you to do onboard!

LUGGAGE – WHAT TO PACK

How much luggage can I bring?

We recommend no more than 2 bags per person. Each bag can be no bigger than 140cm x 60cm x 40cm and cannot weigh more than 32kg. It is important to remember that airlines may have different luggage restrictions.

Can I bring alcohol onboard?

Alcohol is not permitted to be brought onboard the ship. Duty-free and personal alcohol purchased onshore will be collected at the gangway and will be returned to you at the end of your cruise. Duty and tax-free alcohol is also available for purchase onboard and will also be held for safekeeping and can be collected on the last day of your cruise.

Can I bring non-alcoholic beverages onboard?

To ensure the safety and security of all guests, and in line with Responsible Service of Alcohol guidelines, the following beverage items cannot be brought onboard any P&O Cruises ship:

- Plastic and glass bottled drinks (opened or unopened), including water;
 - Slab packs of canned drinks; and,
 - Tetra pack drinks (including fruit juice poppers).
- Each guest may bring onboard a maximum of 12 canned drinks loosely packed in hand luggage.

All luggage, including hand and check-in, will be x-rayed at embarkation.

Do I need to bring a beach/pool towel?

No, you can leave the beach towel at home and save some space in your luggage. Beach towels are provided in your room for use onboard and while in port.

What types of electrical sockets are onboard?

All rooms are fitted with an Australian 3-point plug or adaptor providing 220/240 volts 60Hz.

Can I bring electrical devices onboard?

For safety reasons, we ask guests not to use their own electrical appliances onboard except electrical shavers and approved medical equipment. Some electrical items and personal grooming devices, such as power boards, laptops, phone and camera chargers, hair dryers, hair straighteners, curling irons and shavers may be allowed onboard if they are deemed to be in a safe and proper working condition, and used with proper caution. If an electrical device is deemed to pose a hazard, they will be confiscated and returned at the end of the cruise.

Electrical items that may pose a risk to the safety of guests and crew, including irons, kettles, coffee machines and other heating devices, are not allowed to be brought onboard. Please refer to the Prohibited items section in the Booking & Travel Conditions, clause 21 for more details.

What do I wear onboard?

During the day, casual clothes are suitable. After 5.30pm, 'smart casual' clothing is required in the public lounges and restaurants or as published in the ship's newsletter. On our cocktail nights, it's time to get your frocks out and join in the fun! We suggest women wear an evening or cocktail dress and men wear a suit or similar (tie optional).

How many cocktail nights will there be?

On three and four night cruises, there is one cocktail night (our Gatsby Party). For cruises five nights and longer in duration there are usually two cocktail nights (one of these will be the Gatsby Party), with up to three on longer cruises. Cruises of two nights or less do not feature a cocktail night.

Are there theme nights on every cruise?

On every cruise, we have at least one P&O Party. All cruises will have our Bianco White Party. Cruises three nights or longer will also feature our Gatsby Party, and cruises five nights or longer will also have our Back to School night club party, and all cruises departing Auckland will feature Nero, the P&O All Black party.

Looking for some inspiration for what to wear? Check out our website for more information on our P&O Parties.

MONEY MATTERS – HOW TO PAY ONBOARD

What is the currency onboard?

All prices onboard our ships are in Australian dollars.

How do I pay onboard?

Welcome to cashless cruising! All shipboard expenses are charged to your personalised Cruise Card. Your Cruise Card is linked to your onboard account and can be settled by credit

card (Visa, MasterCard or American Express) or debit card (Visa or MasterCard). Debit cards may act as a credit card, whilst using the available funds in your bank account.

If you choose to register a credit or debit card (Visa, MasterCard or American Express) we will settle the outstanding balance on your onboard account to your credit or debit card at the end of each day in Australian Dollars. The card registered must have the name of the guest printed on the card and this must match the name of the guest's photo ID used to embark the ship.

Service fees apply to all onboard credit card transactions. The service fee for Visa and MasterCard transactions is 1.1%. For American Express the service fee is 2.3%. There is no fee for debit card transactions or pre-paid cash passport Visa and MasterCard transactions. Service fees are subject to change and will be advised onboard.

Pre-paid cash passport Visa and MasterCard travel products can also be registered to your onboard account as long as the card holders name is printed on the card and matches the name of the guest using the card. Travellers cheques are not accepted onboard. If you live outside of Australia please consider registering a prepaid cash passport Visa Card and MasterCard travel product to avoid currency conversion and international processing fees that may be charged by your bank.

As an alternative to registering a credit or debit card (Visa Card, MasterCard or American Express), you can add funds to your onboard account at the self service cash kiosks onboard. The self service kiosks allow you to top up your onboard account free of charge using cash or Australian eftpos (cheque or savings accounts only) with an Australian issued bank card. Non Australian issued bank cards cannot be used in the self service kiosk, but can usually be used in the ATMs onboard to withdraw Australian Dollar currency. ATM fees apply.

Can I use cash to pay for my onboard account?

Yes. If you don't have a credit or debit card, you can add cash to your onboard account at reception or by using the self-serve kiosks onboard. You can also transfer money onto your onboard account using eftpos at the self-serve kiosks.

WELCOME ABOARD!

What is the bedding configuration in my room?

When travelling with three or four people, most of our rooms contain two single beds and one or two single upper berths (bunk beds). Please note that in most cases the two single lower beds cannot be converted to a queen bed when the upper bunks are in use. In some cases, rooms for three or four people may have two single beds (which can be converted to a queen) and one or two sofa beds.

When travelling with two people, most of our rooms contain two single beds (twin accommodation) that can be converted to a queen bed. In some of our twin rooms, the bedding may be fixed as two single beds, or one upper and one lower bed, which cannot be converted to queen bedding.

Please check at the time of booking for your specific bedding configuration.

Are there any age or weight restrictions for guests occupying an upper bunk bed?

You're on holiday – let us take care of this chore for you with our laundry service. There is also the option to do it yourself in our self-service laundromat. Charges apply for these services.

Where can I keep my valuables?

Better to be safe than sorry - there is a safety deposit box in each room. In the event you lose any items onboard, please visit Reception before you disembark. Any items (excluding clothing) not claimed within three weeks of your cruise return may be donated to charity. Due to hygiene reasons, unclaimed clothing will be destroyed onboard.

Smoking is not permitted indoors on any of our ships. This includes your room and private balcony. For those who smoke, there are selected outdoor areas where smoking is permitted and this information will be communicated to you onboard.

Is there a doctor onboard?

Yes, each ship has a Medical Centre that is staffed by qualified and licensed doctors and nurses who are available during scheduled clinic times to provide medical care for everyone onboard. They are also available 24 hours a day, 7 days a week for medical emergencies. Our Medical Centres are only for medical needs arising onboard and cannot cater for treatments that you know you will require while on holiday. Please refer to our Booking & Travel Conditions for more details.

How do I keep in touch with home?

There are a number of ways to let everyone know what a great time you are having. You can make calls from the phone in your room, or use the ship's wifi to keep in touch. Wifi packages can be purchased onboard. Simply connect your device to the ship's wifi and open your internet browser to select a package.

Can I use my mobile phone onboard?

Mobile phone reception is available on all our ships. A compatible mobile phone and a service plan capable of roaming internationally with Maritime Communications Partners (AS) is required. Make sure you check with your service provider for applicable charges before you depart.

WELCOME HOME!

Disembarkation process

Are there rules about what I can bring back into Australia or New Zealand?

Yes, please contact the Department of Agriculture: www.agriculture.gov.au or the New Zealand Ministry for Primary Industries: www.mpi.govt.nz, and consider this when purchasing items when in port.

There are also limits on the amount of duty-free items that can be brought back into Australia and New Zealand. For Australian duty-free concessions, please check the Australian Department of Immigration and Border Protection website: www.border.gov.au. For New Zealand duty-free concessions, please check the New Zealand Customs Service website: www.customs.govt.nz.

What time can I expect to disembark the ship?

Disembarkation is staggered and usually begins approximately 30 minutes after the ship's arrival in port. Before departure, please select your preferred disembarkation time in Cruise Control. During your cruise you will then be allocated a disembarkation time. Disembarkation is usually completed within three hours of arriving into port, however, this can vary. For this reason, if you have post cruise flights, we recommend you follow our flight guidelines when booking your return flights.
